INFRASTRUCTURE ROUTES + STREET PROJECTS

Priority Recommendations
Railroad crossings are an issue in all three MACCRAY communities. People are crossing the tracks at places other than designated crossings and pedestrian infrastructure at those crossings is often incomplete. All three MACCRAY communities have made pedestrian improvements, but more can be done to complete the network. Repainting crosswalks and adding signs are easy first steps. Some intersections need to be redesigned for pedestrian safety.

GET INVOLVED
Plan your walking or biking route with your student, watch for students and respect school zone speed limits, and show your support by volunteering! Contact your school principal to learn how you can get involved.
