

Safe Routes to School Handbook | Goal and Action Step Worksheet

GOAL:

Are we missing any key information or assessment related to this goal?

How will we know when success has been achieved?

What actions will we take to achieve this goal over the next 6-12 months? (List below)

Actions	Which E(s)?	Timeline	Lead
1			
2			
3			
4			
5			
6			
7			

After you have identified all of your action steps, go through and list which of the E's the actions fall under. Make sure you are covering most or all of the E's in your whole program. Set a goal for completing the action and identify who will lead the effort.
